LYING LABELS: BLESSINGS

by, Joel Francis, Th.M.

The year 2020 was rough for many with COVID-19, loss of loved ones, and ongoing financial struggles, so why end it by focusing on blessings?

From beginning to end, the Scriptures reveal God's desire that you have His blessings, even in hard times.

From the blessing of God on Adam and Eve (Genesis 1:22), to Jesus saying, "Blessed are the peacemakers" (Matthew 5:9), to blessings on those who do God's commandments (Revelation 22:14), the Bible teaches that blessings are significant to God. Since blessings are significant to God, blessings should matter to you.

Before looking at America's blessings in relation to Israel and Genesis 12:1-3, it is worth a short look at the relationship between the State of Israel and Communist China.

Since I have been to Israel and China multiple times, the following data is mostly from personal investigation.

The modern State of Israel was publicly declared a nation by the United Nations & Ben Gurion on May 14, 1948. Just over a year later, on October 1, 1949, Mao declared the founding of the People's Republic of China. Many of Israel's Prime Ministers have come from a Communist ancestry, China's Communist Revolution in '49 was profoundly supported by highly skilled experts with a Judaic heritage. A few of these experts included Israel Epstein (Finance) and Sidney Shapiro (Propaganda). China and Hong Kong's enormous banking sector was developed with leadership from those of a Judaic heritage before, during, and after China's Communist Revolution.

Also, it is a historical fact that around 90% of the leaders of the 1917 Bolshevik Marxist/Communist Revolution, which lead to the death of tens of millions of innocent Christians, were of a Jewish heritage. [1] Over 5 to 7 million Ukrainian Christians were killed under Jewish Marxist leaders such as Trotsky (a.k.a. Lev Brontstein), during the Holodomor (1932-1933). [2]

Likewise, Communist leaders in China would not have developed their powerful nation without Judaic guidance. These Chinese Communists have and still torture and kill millions of Christians.

In recent years, China has built large concentration camps in NW China and has killed, tortured, and enslaved millions of Uyghur's and other minorities. [3]

Yet, in spite of these Chinese concentration camps, reminiscent of the Nazi era, Israel remains close with Communist China. These ties are so strong that soon, in January 2021, Israel will allow China to take over its strategic Port of Haifa for 25 years in NW Israel. [4]

The key point of showing the long ties between China and those affiliated with Zionism is that at their core, both Israel and China's governments are anti-Christ in nature and practice. In contrast, there are those who claim that Israel becoming a nation in 1948 was of "God" and it was part of a Jubilee pattern. Yet, others

have accurately stated that Scripture does not support such a pattern as related to the modern State of Israel. [5]

LIE: IF AMERICA BLESSES ISRAEL: AMERICA WILL BE BLESSED (GENESIS 12:1-3)

For many years, I was an ultra-Zionist: Meaning that that I supported the State of Israel so strongly that I believed it was of God and any criticism of its

policies was a sin. Why? Because like many American Zionists, I was afraid my criticism of the State of Israel would lead to America being cursed.

Since the early 1900s, a common teaching in American churches is that if we bless "Israel" then America will be blessed.

After over 72 years of "blessing Israel" with billions of Christian tourism dollars, tens of billions of US taxpayer dollars in military aid, millions of prayers of blessings, and numerous other blessings for Israel, what does America have to show for it?

America appears cursed in 2020 than it was in 1948. As the Jewish State of Israel has enriched itself with America's "blessings", it has become a world leader in sexual deviancy, extreme abortion laws, and has a...

...long history of glorifying self-identified terror organizations (e.g., Irgun, Stern Group, etc.).

In 1948, America knew the difference between a man and a woman. In 2020, Americans are fired, endure death threats, or “canceled” for stating basic biological facts. Since 1948, America’s culture has gone from seeing Biblical truth as love, to now falsely labeling it “hate.”

If blessing Zionism has been so good for America, then why in 2020 is America’s news greatly censored by Leftists as the CCP does to its people in China?

In 1948, a Gallup poll showed that over 91% of Americans identified as Christians. A George Barna national survey revealed that although roughly 70% of Americans identify as “Christians”, in 2019 only 6% of Americans have a Biblical worldview.[6] Is this our “Blessing” as we “bless” Israel?

In 1948, the US was recovering from WWII and had a debt of \$252 Billion. [6] In 2020, the national debt is over \$27.5 Trillion.[7]

Since 1913 when the US Congress violated the Constitution and went to a private, Ashkenazi-inspired, [8] debt-based monetary system, the value of the US Dollar has dropped over 2,528%.[9] Since 1948, when the US began blessing Israel, the dollar has lost value by 979.8%.[9] The devaluation of the dollar is a significant tax.[10], [11]

Since 1948, the US family structure is shattered. Violent crime, rape, abortion, pornography, pedophilia, illicit drug use, and explicit materials have risen, while Freedom of Speech and other liberties have greatly eroded.[12] [13]

After over 72.5 years of the US “blessing Israel” there has been a growing rejection of God and His Word and an increase of curses on the US. Yet, thousands of pastors insist that you believe the myth, the lie, that blessing the nation of Israel will bless America.

In Genesis 12:1-3 God is teaching to bless Abraham and His “seed” (singular) which is referring to Jesus Christ. Galatians 3:16 says, “Now to Abraham and His Seed were the promises made. He does not say, “And to seeds,” as of many, but as of one, ‘And to your Seed,’ who is Jesus Christ.” Thus, we are to bless

Jesus Christ, and those who are in Him by faith.

When Abraham put his faith in God it meant his faith was placed in Jesus Christ. “In the beginning was the Word, and the Word was with God and the Word was God.” (John 1:1) In short, we are to be a blessing to Jesus Christ, not a UK/UN-contrived nation that murders Palestinian Christians and Muslims, steals their land, and breaks international laws.

American Christians have been taught the lie that Israel taking over the Holy Land in 1948 was like ancient Israel taking the land from the Canaanites. The fact is ancient Canaanites sacrificed their children to Moloch and did other horrific pagan rituals. In stark contrast, the Palestinian Christians and Muslims in 1948 cannot be compared to the ancient Canaanites nor Amalekites. God made it clear in Jeremiah 3:8-10 that He gave Israel and Judah certificates of divorce due to their “playing the harlot” and being unfaithful to

Him. Yet, when Jesus came, He offered the blessing of eternal life, as did the true prophets of old and many Jews believed (John 12:11). But, Jerusalem rejected spiritual marriage to God through Jesus, which is why He wept over Jerusalem (Luke 13:34). Jesus loved His people and He felt the sting of their rejecting the blessing of salvation that He offered to them.[14]

As when Jesus and His apostles lived in the Holy Land 2,000 years ago, there are still faithful believers in Christ in the Land: Palestinians, Arabs, and Jews.

Today, not all Jews support abusing the Palestinian people or support Communism. But, many still reject true Peace (Jesus). The god of Christ-rejecting Jews is not the God of the Bible. We are not saved by Race, but by grace through faith in Jesus Christ.[15] By God’s grace, we are to bring the joy and peace of Jesus Christ to the world. As we bless others with the fruit of God’s Holy Spirit (Galatians 5:22-23) we will be enriched (Proverbs 11:25-26) in ways that no hardship can take away.

Believers do not live by labels or political identities, nor do they chase nationalistic agendas. Rather, they follow the King of kings, which brings true blessings.

“For had ye believed Moses, ye would have believed Me: for he wrote of Me.” — (John 5:46)
